1
Women in the middle and upper class wore elegant clothes in the

1900's
3
They wore fancy formal hats, tailor made clothes and big gowns that flattered their figure

4
Their clothes were made by tailors and department stores

6
The uniform helped to identify a persons role and their status in the society

5
Most tailors were men because they had more opportunities and women were thought to be unskilled

7
Language and posture of citizens defined their class and status

2
Fashion started from the inspiration of Stella Pierres (style icon) who was beauty pageant at the palace of beauty

8
In the 1970s women didn't have rights however this all changed in the 1970s

9
Thank you for listening
